Approval of Minutes: April 26, 2022, approved.

RECREATION REPORT: Quick update on how summer season is going, comments on the amount of rain we seem to be getting, followed by discussion of Foxx and Usher Field updates. Will be having our monthly City and School team meeting to discuss actions step to improve Foxx. Memorial benches will be installed when school reconvenes in the fall due to West Shore students ordering materials and constructing the bench which will be located down the right foul fence between the 1st base dugout and concession stand.

Weekly touch base meetings are going well and will continue through the end of June. Plan is to have an end of season meeting to cover the recently concluded summer and begin to discuss next season.

In the process of posting for the Field Maintenance Assistant/Equipment Manager position.

Comments made about considering different options for our summer pool rentals. This year they filled up extremely fast that even our sub-commissions were not able to schedule a party. Thoughts of having a lottery, opening up later times/earlier times, hosing a rental simultaneously with a night swim but limit number of entrants.

OLD BUSINESS: Foster pool bi-weekly meetings are still occurring with hopes to have bid sent out soon. Intention is to have new Foster open by next pool season is still primary focus.
