 - a. Mr. Willenhorst explained that basket ball registration has picked up dramatically in the last 3 days. There is a need for more 5^h/6^h grade coaches due to the increased registration. The registration numbers are fairly consistent with the 2017 season.

Mr. Willenhorst will be present at the 7^h/8^h grade boys' tryouts next Tuesday to explain that they must register by Thursday per the league requirements. In addition, he'll let the players know that if they don't make the team they may play for the collaborative league.

Mr. Willenhorst explained that many of the changes in the registration numbers are due to the addition of travel basket ball at those age groups and the early registration date for the collaborative league.

Mr. Showalter asked about the numbers for cross-county, volleyball, and travel soccer. Mr. Willenhorst said that the registration for those sports opens in the New Year. Mr. Willenhorst also informed the YAC that cross-county will have a cap of 40 runners this year.
