### Player Eligibility

2. Persons who are members of a current high school or college basketball team are not eligible to play in any Lakewood Recreation Adult Basketball League.
3. Youth and Adult Leagues - Players may not participate in any youth and adult Lakewood Recreation Basketball league concurrently. *Violation – forfeit of all games participated in and forfeit fees*

Minimum/Maximum Number of Players on Roster for All Leagues - Teams must have a minimum of 8 players and may have a maximum of 18 players on their roster. **All teams must have a minimum of 2 Lakewood residents.**

A completed Team Roster Form must be on file, or all players must be registered individually online with all fees paid at the Recreation Department before a team or player can participate in any game or appear on any line-up (practice/classification included). *Penalty: Forfeit of game and forfeit fee assessed*

"On-Court" Player Limits – Men's Leagues - a team must have 5 players to start a game. If this number is reduced to 4 or less due to injury or "fouling out" etc., the game may be continued and finished with 4 or less players. If there are not 5 players at the start of the game, the team will forfeit. **Women's 4 x 4 League** – a team must have 4 players to start a game. Anyone found giving false information will be required to pay the difference between resident and non-resident fee. Games participated in may be forfeited and forfeit fee may be levied on offending team and/or the team may be dropped from the league. Living with a friend (temporarily) is not considered a legal Lakewood residency. In this case, adopting a new residence with a friend must be coupled with proof of abandoning former residence.

Adding/Releasing Players - Players may be added and released up to and including the 3rd Tuesday in January by filing a Player Add/Release Form at the Lakewood Recreation Department. Individual fees are due at the time of registration. All teams must maintain the minimum number of Lakewood residents and players required. Playing in More than 1 Lakewood Basketball League – Playing in more than one division is permitted. A player may not participate on two teams in the same division.

Player Identification - All players are required to carry personal identification (valid driver's license, State of Ohio official identification card or Passport) and provide said identification upon request of game officials, Recreation Staff and/or Commission members. Recreation Staff and/or Commission Members reserve the right to request player identification at any time. Players, managers, family and/or friends are not permitted to leave the game site to retrieve a player's identification. Personal identification credentials must be present at game site at all times.

Alternative Form of Personal Identification - As a service to players whose personal identification credentials have been lost or stolen, for a \$5 fee the Recreation Department will prepare a temporary form of identification consisting of the following:

1. Valid current season Lakewood Team Roster
2. Player's Social Security Card
3. Current Photo ID from college, work, or other form of identification deemed to be acceptable by the Recreation Department
4. Lakewood Athletic Commission Seal

This new identification will be recognized as acceptable identification by all game officials for all sports in identification challenge situations and will be valid for a period of 1 week in order to provide players enough time to obtain a new driver's license, State of Ohio identification card, or passport. Players will be given a copy for their use, with the original identification document kept on file at the Recreation Department. This special Recreation Department identification is valid only for use in Lakewood Recreation Department Athletic programs and may be obtained only during regular business hours.

Protest on Player Eligibility - 2 identification challenges are permitted per team, per game (2 players). The ineligible player must be identified during the game in question. In this case, the protest must be made immediately following the game, before game officials and teams leave the court.*

1. In seeking identification of any player, the manager must approach the game officials and request identification check as per above. Game officials will immediately notify the manager of the challenged player's team of the request. It is the responsibility of the manager to ensure that the player produces proper personal identification before that player leaves the gym. The officials will verify the identity of the player in question and must note the request for an ID check and the results of that check on the score sheet.
2. The challenged player(s) must provide identification to game officials immediately upon request. Team managers are held responsible for ensuring all requests are honored immediately.
3. Players who refuse or fail to present proper personal identification shall be disqualified from that game only and game will be forfeited with a forfeit fee assessed. If said player is found to be ineligible, the manager and/or player may face further suspension.
4. The Lakewood Community Recreation and Education Commission or its sub-commissions will not consider any protest on player eligibility if the above rules are not adhered to. Rosters and lineups will be screened for ineligible/suspended players. All games ineligible/suspended player participate in will be forfeited and the forfeit fee will be assessed.

Suspended Players – Suspended players are not permitted to participate in any game, in any way, under any condition, and not permitted at any game site during the suspension. This rule prohibits game officials from accepting mutual agreements between contesting managers regarding the use of ineligible or suspended players.

Prior to submitting the Team Roster Form, managers must screen their team for any suspended player(s) and ensure said player(s) not sign the Team Roster Form. A Suspension List of players is available at the Recreation Department and should be furnished to each manager at the time of registration.

A suspended player's name must not appear on any roster or lineup. Any name appearing on the official score sheet will count as that player having played in the game. All games found to have included a suspended player will result in a forfeit and forfeit fees will be assessed.

### Timing of the Game

1. The game will consist of 2 18-minute halves with a running clock.
2. The clock will stop in the last 2 minutes of each half; however, if a team is winning by 20 or more points, the clock runs during the last 2 minutes of the 2<sup>nd</sup> Half. 3. The clock will stop at the direction of the referee for unusual delays such as player injury or other disruptions.
4. Teams will have 5 minutes half time break.
5. Each team will have 2 1-minute timeouts per half; not accumulative.
6. A tied game at the end of regulation will have 3 minute overtime periods until a winner has been declared. The clock will be a regulation clock. Each team will have 1 1-minute timeout during the overtime period in addition to any unused second half time outs.

Adding Players to Line-up – There is no penalty for adding eligible player names to line-up after game has started.

Fouls – When a personal foul is committed, other than a shooting foul, the ball will be taken out-of bounds at nearest point of foul. A player who receives their fifth foul (combination of personal and technical fouls) is disqualified and must leave the game. *This is not an ejection.*

Free Throws – There will be no free throws for the first six common team fouls (personal and technical combined). Players will start shooting one-and-one on the seventh foul of each half. After the tenth foul of each half, all fouls are two shots. *Exception: Technical Fouls (see below)*

If the player makes the 3 point attempt, and is fouled in the act of shooting, they will be awarded 1 foul shot.

Technical Fouls - If a coach receives 2 technical fouls in one game, they must leave the game and the facilities. They will not be permitted to coach the following game. It is the responsibility of the coach to ensure their spectators abide by the rules spirit of the league.

Unsportsmanlike Technical Fouls – 2 technical fouls in the same game will result in ejection from the game. The ejected participant must leave the facility immediately. Failure to comply may result in forfeit of game and additional suspension for player.

Technical fouls by any player will be a personal and a team foul. Unsportsmanlike Technical Fouls and ejections are tracked and accumulate for each team throughout the season (*see below*).

Foul language and inappropriate behavior will not be tolerated. Inappropriate behavior includes but is not limited to taunting, trash talking and lack of respect towards officials, managers, players and spectators. After first offense a technical is issued, second offensive is ejection from the game/playing area. The throw-in will be from the out-of-bounds spot nearest to where the jump ball would have occurred. To start the second half, the ball will be put in play by a throw-in under the alternating possession procedure opposite the scorer's table. Managers, players, and spectators shall focus their energies on team play and sportsmanship. Managers, players, and spectators shall not engage in unsportsmanlike conduct at any time. The manager is responsible for controlling their spectators. Failure to do so could result in a technical foul and/or removal of the manager or spectator from the game.

## CASUAL PROFANITY

## FORFEITS

1. Shortage of Players - Teams must have a minimum of 5 players to start a game.
2. If one or both teams forfeit because they do not have the minimum number of players or other circumstances highlighted in this rulebook, the following options may be exercised at the start of a game:

  - b. If both teams do not agree to play a practice game, both teams are permitted to practice at opposite ends of the gym floor for approximately 45 minutes.
3. If a game is shortened due to a player injury resulting in a forfeit due to a lack of players the game can be continued as a practice game.

## FORFEIT FEES

1. **If game fees are not paid at the game site**, forfeit fees in the amount of \$100, must be paid in full to the Recreation Department within 1 week. Teams failing to pay within this time will be taken off the schedule. Any games on an existing schedule will be cancelled, counted as a loss for said team, and not made up.
  - a. If forfeiting team notifies the Recreation Department outside of 48 hours, no game fees or forfeit fees are required and team is assessed a loss.
  - b. If forfeiting team notifies the Recreation Department inside of 48 hours, game fees are required in the amount of \$62 and team is assessed a loss.
2. **Failure to pay forfeit fee** will result in all players on the roster being suspended from Lakewood Athletics. All players on the roster are responsible for a reasonable share of the forfeit fee. However, the manager accepts full responsibility for any and all indebtedness incurred by his/her team and must pay all fees in full to clear his/her name.
3. **If a team drops out** of the program voluntarily, they must give written notice 48 hours in advance of their next scheduled game(s) to avoid a forfeit fee.

## **HOTLINE (216-529-4117)**

Occasionally a game may be cancelled or a game site may be changed due to inclement weather or a scheduling conflict. The Lakewood Recreation Department supplies a Hotline (216-529-4117) that provides participants information in regard to cancellations and scheduling changes. Participants can also get the same information on the Urgent News scroll located on the home page of the Recreation website at [www.lakewoodrecreation.com](http://www.lakewoodrecreation.com). The Hotline and Urgent News scroll are provided as a convenience to participants and are not designed to update the status of every game at every moment. If a game has not been cancelled, it is the participants' responsibility to report to the facility they are scheduled to play at.

## **WEATHER CANCELLATION**

In the event of inclement weather that cancels Lakewood Public Schools for the day, all Lakewood Recreation programs will be cancelled for that same day and/or evening, regardless of any weather changes. If early morning weather conditions do not force the Lakewood Public Schools to be closed for the day, but weather changes begin to worsen during the late morning, afternoon, or early evening, the Lakewood Recreation Department, for the safety of our participants and staff, may be forced to cancel programs for that evening. Radio and television stations will broadcast all closings. Every effort will be made to make-up any program that may be cancelled.
